

Cover Letter

Stefan Joseph

Thank you for taking the time to view my cover letter and resume. I graduated from Brigham Young University Idaho with a Bachelor of Science in Applied Business Management with a desire to further my skills in IT. I am currently enrolled in Lethbridge College Computer Information Technology Program, and I have completed two Microsoft Azure Certifications with Red Deer College. I also have qualifications in Windows Server environments, Networking, Data Administration, and Penetration Testing.

My colourful career path and educational background has helped me develop skills in Sales, Management, IT Networking and IT Security, enabling me to adapt to your company culture and create value for your company.

I know I am a good candidate for this position as I have the skills, knowledge, and ability to adapt to my working environment. I look forward to putting my skills to the test and learning with my colleagues to expand my experience and improve you company in the world of technology.

I thank you for your time and consideration of my resume. If you have any further questions, please do not hesitate to call me.
