

April 28, 2023

I am writing this letter of reference and support for Stefan Joseph (s0540407), as he has worked for Kodiaks Athletics while enrolled at Lethbridge College.

I have known Stefan since August of 2022 when I interviewed and hired him for the position of Games Day staff with Kodiaks Athletics. Stefan remained in this position for the full 2022/2023 season, and he will be returning to the same position in the fall of 2023.

In the role of Games Day staff Stefan has consistently demonstrated his willingness to work and has always been eager to learn new skills. He has dedicated himself to Kodiaks Athletics and has tackled every situation with preparation and confidence.

As part of the Kodiaks Games Day team Stefan has taken on the responsibility to learn various new positions and has been instrumental in the operations of several of the Kodiaks sports during Game Day. He started in September by learning how to do the stats for the Kodiaks soccer teams and contributed a significant amount of his time to work overtime during each day of soccer Championships. With minimal background knowledge of basketball or volleyball, which normally prevents people from working those sports, Stefan conducted research in his own time so that he would also be able to contribute to Game Day operations after the soccer season ended.

Stefan is a friendly and hard-working student at Lethbridge College. He always has a smile on his face and when you meet him his cheerfulness is contagious. I highly recommend Stefan for all awards that he qualifies for as he is very deserving.
